Anti-Money Laundering AML And Combating the Financing of Terrorism Overview:

This comprehensive course delves into the critical areas of Anti-Money Laundering AML and Combating the Financing of Terrorism. With an increasing focus on AML policies and standards, the course aims to equip participants with practical knowledge and skills. Learn about the roles and responsibilities in AML, risk-based approach to managing risk, and customer due diligence requirements. With independent audit and review sessions, we prioritize financial crime prevention and AML compliance. The course offers unique training methodologies and a range of AML training programs to raise awareness and aid in terrorism financing prevention.

Target Audience:

- Compliance Officers
- Risk Managers
- AML Analysts
- Customer Service Reps in Banking
- Legal Advisors
- board of directors

This course aims to bridge skills gaps in customer due diligence in banking, suspicious activity reporting, and compliance officer roles.

Targeted Organizational Departments:

- Compliance Department
- Risk Management
- Legal Department
- Customer Service

Considering the focus on AML regulations, risk management in AML, and AML best practices, these departments will benefit the most.

Targeted Industries:

- Banking
- Finance
- Real Estate
- E-commerce
- Healthcare
- Insurance
- Government

Given the increasing AML regulations and the need for robust financial crime prevention strategies, these industries will find the course particularly beneficial.

Course Offerings:

By the end of the course, participants will be able to:

- Understand and implement AML Policies and Standards
- Conduct a risk assessment using a Risk Assessment Form
- Implement Customer Acceptance Policy
- Understand and act on Compliance Officer Responsibilities
- Follow AML Record Keeping guidelines

Training Methodology:

This course employs a mix of interactive sessions, case studies, group work, and real-world suspicious transactions examples. Each module integrates awareness-raising elements in AML and offers practical tools like an account opening checklist. Feedback sessions are designed to review and update compliance training course content and provide governance training on risk assessment.
