Overview:

Welcome to the Certified Agile Public Policymaker Certification Course. This unique training marries the best vocational courses of public policy and agile methodologies, creating a rigorous policy-making process that nurtures agile servant leaders. It features a comprehensive understanding of public policy, models of public policy, and theories of public policy, whilst offering practical experience in public policy formulation and implementation. This course is designed to help you navigate the matrix of stakeholder mapping techniques, with a stakeholder mapping template being a vital tool. The course combines the intricacies of politics, organizational politics, and office politics to help policymakers comprehend and influence real clear politics.

Target Audience:

- Current and aspiring policymakers
- Public administration officers
- Project managers
- Consultants
- Individuals keen on understanding the dynamics between politics and policymaking

Targeted Organizational Departments:

- Public policy departments
- Strategy and planning departments
- Public relations departments
- Government relations departments
