دورة تدريبية لإدارة المشاريع الاحترافية باستخدام برنامج بريمافيرا بي 6

المرجع: 1024_1769 التاريخ: 31 Aug - 04 Sep 2026 الموقع: كوالالمبور الرسوم: Euro 5200

Overview:

This in-depth 'Primavera P6 Professional Project Management Certification Course' has been meticulously designed to provide individuals with a comprehensive understanding of project management fundamentals. It integrates the unique features of Primavera P6 project management software to enhance project portfolio management, agile project management, and project management office operations. You will learn how to get the Certification Course and upgrade your skills in project charter creation, project planning, and defining project manager responsibilities.

Target Audience:

- Project Management Professionals
- Agile Project Managers
- Project Coordinators
- Project Analysts
- Team Leads
- Business Analysts
- Software Developers
- Operations Managers
- Any individuals involved in project teams looking for agile project management training

Targeted Organizational Departments:

- Project Management Office PMO
- Information Technology IT Department
- Operations Department
- Business Analysis Department
- Product Development Department
- Quality Assurance Department
- Engineering Department

AGILE LEADERS
Training Center

Targeted Industries:

- Construction
- Oil & Gas
- Information Technology IT
- Manufacturing
- Telecommunications
- Energy and Utilities
- Infrastructure
- Pharmaceuticals
- Automotive

Course Offerings:

- Grasp on Project Portfolio Management
- Mastery of Agile Project Management
- Expertise in Project Charter creation
- Proficiency in Project Planning using Primavera P6
- Understanding of the role and responsibilities of Project Managers
- Ability to effectively manage project teams
- Enhanced skills for project scheduling and control with Primavera P6
- Comprehensive understanding of the software project management course

Course Toolbox:

- Topic 2: Review of course offerings and lessons learned
- Topic 3: Course Feedback and Closing Remarks
- Reflection & Review: Reflecting on the Certification Course journey and future applications of the learning

How This Course is Different from Other Primavera P6 Professional Project Management Training Courses:

This course stands out for its unique integration of project management fundamentals, agile project management training, and software project management with the use of Primavera P6. Unlike other training courses, we focus on comprehensive and practical knowledge acquisition that combines theoretical project management principles with hands-on Primavera P6 training. The course is uniquely structured to not just deliver information, but to ensure that by the end, participants are proficient in using Primavera P6 for project management, project planning, and managing project teams.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
