دورة محترف إدارة المحافظ والبرامج والمشاريع: وخصصة لهدراء المشاريع

الرجع: 36255_19279 التاريخ: 30 Mar - 03 Apr 2027 الموقع: القاهرة الرسوم: Euro 4100

Course Overview:

The Portfolio, Programme and Project Professional Exam-Prep Course is a comprehensive training program designed to prepare participants for Portfolio, Programme and Project Professional certification. This course covers a broad range of topics, including Portfolio, Programme and Project Professional concepts and principles, project office management, and the distinctions between portfolio, programme, and project management. Through this course, participants will gain an in-depth understanding of the Portfolio, Programme and Project Professional model and components, essential for successful project management office PMO implementation. The course also delves into the Portfolio, Programme and Project Professional Foundation and Practitioner levels, providing a structured approach to learning. Participants will learn how to develop business cases, make informed decisions, and consistently deliver projects that align with organizational goals. The course utilizes a blend of interactive sessions, case studies, and practical exercises to ensure a thorough understanding of Portfolio, Programme and Project Professional tools and techniques. By the end of this course, participants will be well-prepared to pass the Portfolio, Programme and Project Professional certification exams and effectively manage project offices within their organizations.

Target Audience:

- Project Managers
- PMO Managers
- Portfolio Managers
- Programme Managers
- Senior Executives
- Change Managers
- Business Analysts

Targeted Organizational Departments:

- Project Management Office PMO
- Portfolio Management
- Programme Management
- Corporate Strategy
- IT and Operations
- Business Development
- Risk Management
- Human Resources

Targeted Industries:

- IT and Software Development
- Construction and Engineering
- Healthcare and Pharmaceuticals
- Financial Services
- Government and Public Sector
- Telecommunications
- Energy and Utilities
- Manufacturing

Course Offerings:

By the end of this course, participants will be able to:

- Understand the Portfolio, Programme and Project Professional model and its components
- Differentiate between portfolio, programme, and project management
- Develop a business case for a Portfolio, Programme and Project Professional
- Implement and re-energize a Portfolio, Programme and Project Professional
- Utilize Portfolio, Programme and Project Professional tools and techniques
- Make informed decisions for project prioritization and resource allocation
- Consistently deliver projects within time, cost, and quality constraints

Training Methodology:

This Portfolio, Programme and Project Professional Exam-Prep Course employs a variety of training methodologies to ensure an engaging and effective learning experience. The course includes interactive sessions where participants can engage in discussions and ask questions. Case studies will be used to illustrate real-world applications of Portfolio, Programme and Project Professional principles and concepts. Group work and collaborative exercises will enable participants to learn from each other and apply their knowledge in practical scenarios. Feedback sessions will be conducted to review participants' progress and address any areas of difficulty. Additionally, the course will utilize practical exercises and hands-on activities to reinforce learning and ensure participants are well-prepared for the Portfolio, Programme and Project Professional certification exams.

Course Toolbox:

- Comprehensive course workbook
- Case study materials
- Portfolio, Programme and Project Professional model and component diagrams
- Exam preparation guides
- Practice exams and quizzes

How This Course is Different from Other Portfolio, Programme and Project Professional Courses:

The Portfolio, Programme and Project Professional Exam-Prep Course stands out due to its comprehensive and practical approach to learning. Unlike other courses, this program provides an in-depth exploration of both Portfolio, Programme and Project Professional Foundation and Practitioner levels, ensuring participants gain a thorough understanding of all concepts and principles. The course utilizes a blend of interactive sessions, case studies, and practical exercises to create an engaging learning experience. Additionally, participants will receive a wealth of resources, including workbooks, online materials, and practice exams, to support their learning journey. This course is designed not only to prepare participants for certification but also to equip them with the skills needed to effectively manage project offices and drive organizational success.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
