دورة تدريبية في إدارة الضرائب والإيرادات

الرجوع: 36271_20399 التاريخ: 10 - 14 Aug 2026 الموقع: روما الرسوم: Euro 5700

Course Overview:

This course is designed to equip professionals with complete knowledge and skills in managing taxes and revenue effectively. Understanding the intricacies of Tax and Revenue Management is crucial for the survival and growth of any company. This course focuses on Strategic Tax Planning, Financial Statement Analysis for Taxes, and Corporate Tax Management, ensuring that participants can navigate the complexities of tax laws and regulations. The course also covers advanced topics like Tax-Free Mergers and Acquisitions, Tax Strategies for Multinational Corporations, and Tax Risk Management. By blending theory with real-world applications, this course prepares business managers, investors, and financial professionals to make informed decisions, optimize tax outcomes, and enhance their strategic planning capabilities.

Target Audience:

- Business Managers and Leaders at all levels
- Financial Controllers and Tax Advisors
- Strategic Planners and Analysts
- Investors looking to enhance their tax planning skills
- Non-finance Managers with financial responsibilities

Targeted Organizational Departments:

- Finance and Accounting Departments
- Strategic Planning and Business Development Units
- Risk Management Divisions
- Legal and Compliance Departments
- Investor Relations Teams

Targeted Industries:

- Corporate Finance
- Banking and Financial Services
- Multinational Corporations
- Public and Private Sector Enterprises
- Legal and Consulting Firms

Course Offerings:

By the end of this course, participants will be able to:

- Distinguish between different types of taxes and their regulatory structures
- Understand the framework of Tax and Revenue Management
- Recognize risk factors associated with various corporate forms and their tax implications
- Develop effective tax planning strategies
- Analyse financial statements with a focus on proactive tax planning
- Navigate the challenges of Tax and Revenue Management for multinational corporations

Training Methodology:

This training course utilizes a variety of proven learning techniques to ensure maximum understanding and retention. Participants will engage in interactive presentations, individual and group activities, and case studies that reflect real-world tax scenarios. This approach ensures that participants not only grasp theoretical knowledge but also develop practical skills applicable to their professional roles.
