التوزيع في رؤى العملاء وتحليل الأعمال بمسار مزدوج للإتقان

الرجوع: 36357_26500 التاريخ: 11 - 15 May 2027 الموقع: دبي - Road Zayed Sheikh Marriott by Inn Residence - الرسوم: Euro 4500

Course Overview:

The course is a complete course designed to develop skills in customer relationship management and business analysis. Participants will learn to foster a customer-centric culture, communicate effectively, and implement quality assurance methods to improve customer satisfaction. This course also provides in-depth training for the PMI-PBA, covering essential business analysis skills such as needs assessment, requirements elicitation, traceability, and solution evaluation.

Target Audience:

- Customer Service Professionals
- Business Analysts
- Project Managers
- Team Leaders & Supervisors
- Sales and Marketing Professionals
- Aspiring Customer Service Leaders

Targeted Organizational Departments:

- Customer Service
- Project Management Office PMO
- Business Analysis
- Sales and Marketing
- IT and Software Development
- Human Resources

Targeted Industries:

- Retail
- IT and Software
- Finance and Banking
- Healthcare
- Telecommunications
- Hospitality

Course Offerings:

By the end of this course, participants will be able to:

- Develop a customer-centric organizational strategy.
- Master communication and customer engagement techniques.
- Apply agile methods in customer service.
- Conduct comprehensive needs assessments.
- Elicit and analyze requirements for business solutions.
- Implement quality assurance in customer service.

Training Methodology:

The course uses varied learning approaches to ensure an engaging and practical experience. Participants will engage in case studies, group work, interactive discussions, and feedback sessions focused on customer service -excellence and business analysis. Real-world scenarios and simulations are used to apply key concepts in a hands on environment, and mock exams will be provided for PMI-PBA preparation. This multi-method training ensures that participants can apply their new skills directly in their roles.

Course Toolbox:

Participants will receive:

- Comprehensive ebooks on customer service and business analysis
- Access to online resources for PMI-PBA preparation
- Templates, checklists, and agile tools for customer engagement

How This Course is Different from Other Excellence in Customer Insights and Business Analysis Courses:

This course uniquely combines customer relationship management skills and business analysis expertise. Unlike other programs, this course not only covers strategies for creating a customer-centric culture. By focusing on both customer service and analytical skills, the course empowers participants to create meaningful customer experiences and make data-driven business decisions, making them valuable assets to their organizations.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
