Course Overview

In the ever-changing creative industry, managers must blend leadership with a strong grasp of design principles and branding strategies. The course empowers leaders to manage creative teams effectively and craft compelling brand narratives.

Participants will explore creative leadership, design team management, art direction, and visual branding. They will master advertising design principles, storytelling techniques, and content creation, while also delving into advanced topics such as social media video production and digital advertising insights. This course provides the skills needed to succeed in today's competitive market.

Target Audience

- Creative directors
- Design team managers
- Brand managers
- Marketing and advertising professionals
- Senior executives in branding and design
- Entrepreneurs building creative businesses

Targeted Organizational Departments

- Marketing and advertising
- Creative and design
- Branding and communications
- Content and media production
- Digital strategy and innovation

Targeted Industries

- Advertising and marketing
- Media and entertainment
- E-commerce and retail
- Technology and mobile apps
- Consumer goods and services

Course Offerings

By the end of this course, participants will be able to:

- Lead creative teams using creative leadership strategies
- Develop compelling brand narratives with a focus on visual storytelling
- Apply advertising design principles to craft impactful campaigns
- Integrate digital advertising insights and mobile advertising strategies
- Design immersive experiences and experiential advertising ideas
- Enhance content quality through strategic storytelling and copywriting techniques

Training Methodology

This course uses an interactive and hands-on approach, featuring case studies on advertising design principles and building brand narratives. Participants will engage in group discussions to develop creative branding solutions, role-playing activities to enhance design team leadership, and video analysis of TV commercial design. They will experience real-world scenarios that promote collaboration and improve their strategic storytelling and content creation skills. Reflection sessions will help participants identify actionable insights that they can apply in their professional contexts.

Course Toolbox

Participants will receive:

- Comprehensive ebooks on creative branding solutions
- Templates for integrated advertising campaigns
- Access to online resources on digital storytelling skills
- Checklists for effective advertising formats
- Guides on art direction and visual branding strategies

How This Course Stands Out

This course provides a unique blend of creative leadership training and practical skills in art direction and visual branding strategies. Unlike other courses, it emphasizes design team management and offers actionable methods for leading creative teams and delivering innovative campaigns. Participants will focus on building brand narratives, developing digital storytelling skills, and creating immersive branding experiences. This comprehensive approach to the creative process sets them apart in competitive industries. Additionally, the course incorporates case studies in advertising, fostering a real-world learning environment.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
