Course Overview

This course is a complete training course designed to help HR professionals quantify and communicate the impact of their initiatives. Focusing on ROI methodology, it covers HR cost analysis, accountability metrics, and strategic planning to align HR initiatives with organizational goals.

Participants will learn to evaluate employee satisfaction, measure intangible benefits, and use practical methods to isolate HR impact and convert outcomes into monetary value. By examining case studies and proven frameworks, attendees will gain the skills to demonstrate HR's value and drive business success.

Target Audience

- HR Managers and Directors
- Talent Development Professionals
- Organizational Development Consultants
- HR Business Partners
- Senior Executives overseeing HR functions

Targeted Organizational Departments

- Human Resources
- Talent Management
- Learning and Development
- Organizational Strategy and Planning
- Finance and Budgeting

Targeted Industries

- Healthcare
- Technology
- Manufacturing
- Retail
- Nonprofits

Course Offerings

By the end of this course, participants will:

- Calculate HR ROI using proven frameworks
- Measure HR impact with data-driven strategies
- Evaluate HR program outcomes and isolate their effects
- Convert intangible HR benefits into monetary terms
- Develop strategic HR plans that align with organizational goals
- Optimize HR processes for better performance and outcomes

Training Methodology

-This course includes interactive lectures, group discussions, and hands-on activities. Participants will analyze real world case studies, complete data-driven exercises, and collaborate on scenarios focused on return on investment ROI. By the end of the program, attendees will have actionable insights and practical methods that they can apply immediately in their roles.

Course Toolbox

- Course ebook
- ROI Calculation Templates
- Data Collection Checklists
- Case Study Analyses
- Sample Evaluation Plans
- Guides for Cost-Benefit Analysis
- Online Resource Access for Continued Learning

Each session is approximately 6 hours, with breaks included, for a total of 30 hours over five days.

How does this course help convert intangible HR outcomes into measurable ROI? •

The course provides frameworks and methods to assess and assign monetary value to intangible benefits like employee engagement, organizational commitment, and leadership development.

How This Course is Different from Other ROI in HR Courses

This course stands out from other HR ROI training programs by emphasizing a hands-on, results-driven approach. It incorporates real-world case studies and actionable frameworks, empowering participants to confidently calculate and communicate their ROI. By focusing on converting intangible benefits into monetary terms and isolating HR impacts, this program equips HR professionals with the methods necessary for driving strategic success. ary for driving strategic success.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
