What specific qualifications or prerequisites are needed for participants before enrolling in the course? •

This course is designed for professionals of all levels who have a basic understanding of business concepts. No prior startup experience is necessary.

How long is each day's session, and is there a total number of hours required for the entire course? •

Each session lasts 4-5 hours, with breaks included. The course spans five days, totalling approximately 20-25 hours.

Why is understanding monopoly power critical for startup success? •

Monopolies allow startups to capture value and sustain long-term growth by eliminating competition and dominating their markets. This principle ensures innovation and differentiation in business.

How This Course is Different from Other Startup Courses

The course uniquely emphasizes contrarian thinking and monopoly-driven business models. It focuses on creating unique solutions and leveraging first principles, equipping participants with strategies to embrace disruptive innovation and achieve lasting success.
