دورة شهادة المسؤولية المجتمعية أيزو 26000 للأعمال المستدامة

الرجع: 103600284_30880 التاريخ: 18 - 22 May 2027 الموقع: دبي - Road Zayed Sheikh Marriott by Inn Residence
الرسوم: Euro 6500

Course Overview

This course equips professionals with the knowledge and skills to integrate social responsibility strategies into their organizations. Participants will gain an understanding of ISO 26000 guidelines, focusing on corporate social responsibility CSR, ethical leadership, and sustainability compliance.

They will acquire practical insights into sustainability leadership and social responsibility management, enabling them to enhance sustainable business practices. By mastering these principles, attendees will be better prepared to contribute to ESG initiatives, achieve social governance certification, and fulfil ISO 26000 compliance training.

Target Audience

- Business leaders & executives responsible for corporate sustainability
- CSR managers & sustainability officers
- ISO 26000 lead auditors and compliance professionals
- HR & training managers
- Legal & risk professionals
- Consultants & advisors specializing in sustainable development

Targeted Organizational Departments

- Corporate Social Responsibility CSR teams
- Sustainability & ESG management
- Compliance & risk management
- Human Resources & training divisions
- Operations & supply chain management
- Legal & corporate governance

Targeted Industries

- Manufacturing & supply chain
- Finance & banking
- Retail & consumer goods
- Healthcare & pharmaceuticals
- Technology & IT services
- Energy & environmental sectors

Course Offerings

By the end of this course, participants will be able to:

- Understand ISO 26000 guidelines and their application in corporate settings
- Develop and implement sustainable business practices
- Conduct social responsibility assessments and audits
- Build an effective CSR strategy aligned with ISO 26000 compliance training
- Improve stakeholder engagement and corporate citizenship initiatives
- Integrate ISO 26000 social responsibility principles into governance structures
- Gain 2 Certification from Agile Leaders & BECB

Training Methodology

FAQ

- What specific qualifications or prerequisites are needed for participants before enrolling in the course? •

This course is designed for professionals with an interest in ISO 26000 certification and sustainable business practices. No prior certification is required, but a background in CSR, sustainability, or corporate governance is recommended.

How long is each day's session, and is there a total number of hours required for the •
entire course? •

Each session lasts approximately 4-5 hours, with interactive exercises and discussions. The full course spans five days, totaling 20-25 hours.

What are the benefits of ISO 26000 certification for organizations? •

ISO 26000 certification helps companies:

- Align with sustainable business goals
- Enhance corporate reputation and build trust
- Meet CSR and ESG compliance requirements
- Improve stakeholder engagement and governance

How This Course is Different from Other ISO 26000 Courses

This course differs from traditional ISO 26000 training by using real-world case studies, interactive exercises, and expert guidance to help participants apply the ISO 26000 social responsibility framework. It emphasizes corporate sustainability, stakeholder engagement, and ethical leadership, providing practical methods and strategies for achieving social impact and compliance success.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
