## FAQ

What specific qualifications or prerequisites are needed for participants before enrolling in the course? •

There are no strict prerequisites. This course is suitable for professionals at all levels looking to enhance confident leadership techniques and assertive communication skills. Ideal participants include emerging leaders, managers, and experienced professionals seeking confidence building training for managers.

How long is each day's session, and is there a total number of hours required for the entire course? •

Each day's session runs approximately 4-5 hours, with interactive exercises and breaks. The full Confident Leadership & Assertive Communication Skills Training Course spans 5 days, totaling approximately 20-25 hours.

How does this course help with overcoming the fear of public speaking? •

This course offers practical strategies derived from leadership public speaking workshops, teaching participants how to manage nerves in presentations, build confidence step-by-step, and leverage confident speaking techniques to speak with clarity and authority in any setting.

## How This Course is Different from Other Confident Leadership & Assertive Communication Skills Training Courses

The course combines confident leadership training with tailored assertiveness training for leaders. It focuses on key areas such as public speaking, persuasive communication, and business storytelling, offering practical workshops that equip participants with effective speaking techniques for real-world situations.
