Course Overview:

The Micro MBA course is designed to provide participants with a Complete understanding of key business concepts, with a focus on finance. This intensive course will cover a range of topics essential for international business professionals, including the global business environment, cultural sensitivity in business, ethical behaviour, and leadership skills. Participants will learn about globalization's impact on business and develop strategies for international business success. The course will delve into export preparation, global market adaptation, and creating effective sales and marketing strategies. Additionally, it will address the development of international business plans, global contracts negotiation, and hiring international employees.

Target Audience:

- Mid-level managers
- International business professionals
- Financial managers
- Marketing directors
- Business development directors
- Trade and customs managers
- Import/export agents
- MBA graduates and students

Targeted Organizational Departments:

- Finance
- Marketing
- Human Resources
- International Business
- Operations
- Sales
- Supply Chain Management
- Export/Import Departments

Targeted Industries:

- Banking and Finance
- International Trade
- Manufacturing
- Marketing and Advertising
- Logistics and Supply Chain
- Hospitality
- Technology
- Consulting

Course Offerings:

By the end of this course, participants will be able to:

- Develop Complete international business plans
- Adapt products and services for global markets
- Execute effective sales and marketing strategies internationally
- Negotiate and manage global contracts
- Hire and manage international employees
- Analyze and adapt to global market trends
- Manage financial aspects of international business
- Implement risk management strategies
- Navigate international finance and fundraising
- Lead and build effective teams across cultures
- Apply ethical principles in international business
- Communicate effectively in a global business environment

Training Methodology:

The "Micro MBA Training Program with Finance Concentration" will utilize a variety of training methodologies to ensure a Complete learning experience. Participants will engage in case studies to understand real-world applications of theoretical concepts. Group work and interactive sessions will foster collaboration and practical problem-solving skills. Role-playing exercises will help participants practice negotiation and leadership skills in international contexts. Feedback sessions will provide personalized insights to help participants improve their performance.

How This Course is Different from Other Micro MBA Courses:

The Micro MBA course stands out for its unique integration of finance with international business. Unlike other MBA programs, this course specifically addresses the needs of international business professionals by focusing on the global business environment, cultural sensitivity, and ethical behaviour. Participants will gain practical skills in export preparation, global market adaptation, and international business planning. The course also offers specialized training for roles such as international marketing director and business development director, providing a Complete career path for MBA graduates.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
