دورة معايير ISO 45001-2018: طرق متقدمة وإبداعية لتنظيم الصحة والسلامة الرهنية

المرجع: 36179_73445 التاريخ: 21 - 25 Sep 2026 الموقع: لندن الرسوم: Euro 5700

ISO 45001-2018: Innovative Approaches to Workplace Safety and Health Management Overview:

This comprehensive course offers a deep dive into the latest strategies and practices in Occupational Health and Safety Management System OH&S. Participants will explore the nuances of implementing an effective OH&S Management System, mastering the art of reducing workplace hazards and risks, and developing a robust safety policy. Emphasis will be on creating a safety-conscious organizational culture through effective safety leadership and commitment. This course is designed to equip professionals with the skills needed for workplace safety compliance, risk assessment in occupational safety, and hazard identification and control. Additionally, it covers worker participation in safety management, legal requirements in occupational health, and safety management system planning, all geared towards fostering continuous improvement in OH&S.

Target Audience:

- Safety Managers
- Compliance Officers
- HR Professionals
- Operational Managers
- Risk Assessment Specialists

This course addresses skill gaps in implementing safety policies, risk management, and creating a safety-focused culture.

Targeted Organizational Departments:

- Human Resources
- Operations
- Compliance and Risk Management
- Health and Safety

Departments will benefit from insights into OH&S management, workplace safety compliance, and emergency preparedness.

Targeted Industries:

- Manufacturing •
- Construction •
- Healthcare •
- Logistics and Transportation •

These industries face unique safety challenges and will gain from focused training on hazard control and OH&S compliance.

Course Offerings:

Participants will acquire skills and knowledge in:

- Strategies for effective OH&S Management •
- Techniques for reducing workplace hazards •
- Leadership skills for safety management •
- Developing and implementing safety policies •
- Legal and compliance aspects of OH&S •
- Emergency response and preparedness training •

Training Methodology:

The course employs interactive learning methods including case studies, group discussions, and hands-on exercises. Participants will engage in risk assessment simulations, hazard identification workshops, and safety policy development sessions. The training will be reinforced with real-world examples and participatory exercises that encourage a safety-conscious culture. The use of innovative e-learning modules will cater to diverse learning styles, ensuring an impactful and comprehensive learning experience.

Course Toolbox:

- Comprehensive OH&S Management System Guidebook •
- Risk Assessment and Hazard Identification Checklists •
- Safety Policy Development Templates •
- Access to Online OH&S Training Modules •
- Interactive Case Studies and Scenario Analysis Tools •

How This Course is Different from Other ISO 45001-2018 Courses:

'Innovative Approaches to Workplace Safety and Health Management' stands out by offering a blend of theoretical knowledge and practical application. Unlike other courses, it provides an in-depth look into the latest trends and strategies in OH&S, along with hands-on training in risk assessment, policy development, and safety leadership.

The course is unique in its use of interactive e-learning modules, real-world case studies, and participatory exercises. Participants will not only learn the fundamentals of OH&S management but also gain skills in implementing innovative safety solutions tailored to their specific industry needs. This course is an essential stepping stone for professionals aiming to elevate safety standards and foster a culture of continuous improvement in their organizations.

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
