دورة تدريبية في المهارات الإدارية المتقدمة

الرجوع: 36223_75763 التاريخ: 18 - 22 May 2027 الموقع: أبوظبي الرسوم: Euro 4500

Course Overview:

The Advanced Administrative Skills Training Course is a comprehensive program designed to empower professionals with advanced skills in office and administrative management. This course enhances crucial abilities such as project management, communication, collaboration, financial management, and technology integration.

Participants will master planning, organizing, and executing complex projects, and extracurricular activity schedules. Additionally, the course focuses on improving communication techniques to effectively engage with Internal & External Stakeholders fostering teamwork in executing extracurricular activities.

Furthermore, the training provides robust insights into budgeting and financial management to ensure efficient resource allocation for extracurricular activities and trips. Participants will also explore ways to leverage technology to enhance the planning and coordination of these activities, making processes more efficient and accessible. Offering a blend of online and offline modules, this course allows participants to pace their learning and focus on areas of improvement, ultimately equipping them with the skills needed to excel in advanced administrative roles.

Target Audience:

- Office Managers
- Administrative Assistants
- Project Coordinators
- Executives looking to sharpen their office management skills

Targeted Organizational Departments:

- Administrative Department
- Project Management Office
- Human Resources
- Operations
- Any administrative related department

Targeted Industries:

- Non-Profit Organizations.
- Information Technology.
- Healthcare.
- Education and Training.
- Governmental Entities.
- For Profit organizations of all sectors.

Course Offerings:

By the end of each course, participants will:

- Gain Knowledge in advanced administrative skills covering diverse aspects of office and project management.
- Learn detailed techniques for effective project planning, organizing, and executing complex tasks like extracurricular activity schedules.
- Enhance communication and collaboration skills, effectively.
- Acquire knowledge in financial management, including budgeting and efficient resource allocation for extracurricular activities.
- Explore ways to integrate technology to streamline the planning and coordination of extracurricular activities.
- Improve their time management practices to handle administrative responsibilities more efficiently.
- Develop interpersonal skills in a business context, fostering better teamwork and leadership abilities.

Training Methodology:

This course employs a blend of interactive lectures, hands-on workshops, and real-world case studies. Participants -will engage in group discussions, role-playing scenarios, and practical exercises. Online modules complement in person sessions, providing flexibility. Continuous assessments and feedback ensure skill mastery and practical application.

- Reflection & Review •
 - Reflecting on the day's insights and reviewing the key takeaways. Discussing how today's learnings can contribute to your effectiveness as an advanced administrative professional. ◦

How This Course is Different from Other 'Office Management' Courses:

- Unlike traditional office management courses, this program goes beyond basic administrative tasks and dives into advanced skills such as project management, financial management, and technology integration. **Advanced Skill Focus:** .1
- The course emphasizes practical, real-world applications, preparing participants to handle complex projects like coordinating international school trips and managing extracurricular activity schedules. **Real-World Application:** .2
- Covering a wide range of topics from communication and collaboration to advanced problem-solving and decision-making, this course provides a holistic approach to administrative excellence. **Comprehensive Curriculum:** .3
- Combining interactive lectures, hands-on workshops, and real-world case studies, the training ensures participants engage deeply with the material and develop practical skills. **Interactive Learning:** .4
- Offering a blend of online and offline modules, the course allows participants to learn at their own pace and focus on areas where they need the most improvement. **Flexible Learning Options:** .5
- In addition to professional skills, the course also focuses on personal development, including stress management and interpersonal skills, ensuring participants are well-rounded and effective in their roles. **Personal Development:** .6

WHO WE ARE

Agile Leaders is a renowned training center with a team of experienced experts in vocational training and development. With 20 years of industry experience, we are committed to helping executives and managers replace traditional practices with more effective and agile approaches.

OUR VISION

We aspire to be the top choice training provider for organizations seeking to embrace agile business practices. As we progress towards our vision, our focus becomes increasingly customer-centric and agile.

OUR MISSION

We are dedicated to developing value-adding, customer-centric agile training courses that deliver a clear return on investment. Guided by our core agile values, we ensure our training is actionable and impactful.

WHAT DO WE OFFER

At Agile Leaders, we offer agile, bite-sized training courses that provide a real-life return on investment. Our courses focus on enhancing knowledge, improving skills, and changing attitudes. We achieve this through engaging and interactive training techniques, including Q&As, live discussions, games, and puzzles.
