دوره تدريبيه في إدارة الإيرادات ووضع أساسيات استراتيجية التسعير

المراجع: 36272_75911 التاريخ: 31 Aug - 04 Sep 2026 الموقع: أبوظبي الرسوم: Euro 4500

Course Overview:

This course offers a complete and engaging approach to mastering revenue management principles and pricing strategy development. Participants will delve into advanced revenue management processes, exploring strategic pricing methods, value-based pricing strategies, and business pricing strategies. This course will enhance participants' abilities to apply effective revenue management techniques, understand the fundamentals of revenue management, and utilize key pricing KPIs. Through demand forecasting techniques, forecasting methods for business, and the importance of forecasting in revenue management, participants will gain the tools necessary for accurate predictions and improved decision-making. Inventory allocation strategies and capacity control techniques will also be covered to optimize resources and maximize profitability.

Target Audience:

- Marketing and sales department heads and managers B2B and B2C
- Business professionals seeking to enhance their revenue management skills
- Business owners and entrepreneurs starting a business

Targeted Organizational Departments:

- Marketing
- Sales
- Finance
- Business Development
- Operations

Targeted Industries:

- Retail
- Hospitality
- Airlines
- E-commerce
- Manufacturing

Course Offerings:

By the end of this course, participants will be able to:

- Understand and apply revenue management principles
- Develop and implement effective revenue management strategies
- Utilize key pricing KPIs to guide pricing decisions
- Apply demand forecasting techniques to predict future demand
- Develop strategic pricing methods tailored to various business models
- Optimize inventory allocation and implement capacity control techniques

Training Methodology:

This course employs a variety of interactive training methodologies designed to enhance learning and practical application. Participants will engage in case studies, group work, and interactive sessions, allowing them to apply revenue management principles and pricing strategy development in real-world scenarios. Feedback sessions will provide participants with personalized insights and improvements. The course also includes hands-on activities to reinforce learning and ensure participants can effectively utilize the techniques covered.

Course Toolbox:

- complete workbooks
- Industry-specific case studies
- Online resources and reading materials
- Checklists and templates for practical application
